STUDENT ASSISTANCE PROGRAM

CPEF did not provide any student assistance for 2011.

A total of \$307,650.00 was loaned since the inception of the SAP in 1986. Of this amount, \$154,282.82 principal was repaid as of December 31 2011. (50.15% recovery rate). There will be \$22,208.73 (7.22%) bad debts from the beneficiaries deceased or untrackable. The current outstanding principal as of December 31 2012 is \$153,367.18.

We continue to actively pursue collection of loans made to the graduated students with the objective that new student loans be funded from the monies collected from repayment of previous loans.

Generally speaking, the doctors are very appreciative of the loans particularly in time of need. They are responsible and are prepared to repay their loans. They are fully aware the future and survival of the Student Assistance Program depend on their support and cooperation.

RESEARCH

There are no applications for research funding.

CANADIAN NATIONAL BOARD OF PODIATRIC MEDICAL EXAMINERS

Seed money (\$10,000.00 was approved at the last AGM) for establishing the Canadian National Board of Podiatry Examiners (CNBPME) has been passed. We await progress report from CPMA.
